

Sport Media Pearl Awards
AIDS

Dear participant,

our deadline for submissions is getting closer (September 7th). Please take time either to **insert** your submission or to **send** what you have already uploaded.

To upload your submission, just click on the button "[login](#)" on the top right of the page. Once you are logged in, always on the top right of the page, you'll see a button "manage your entries". Click on it, fill in your profile information and you can insert up to two different submissions. If you forgot your password, you can create a new one from the login page, just clicking on "[Forgot your password?](#)" link.

In case **you have already inserted your submissions**, but you didn't confirm them yet, please take time to review your submissions and make sure to confirm them by clicking on button "[Send Your Entries](#)".

Regards

Sport Media Pearl Awards
